

Blurbs for Mr Bamboozle's OOSH programs

Mr Bamboozle's Crazy Fun Magical Game Show

If you like game shows and if you like magic shows, you're going to love Mr Bamboozle's Crazy Fun Magical Game Show. In this show all the children will have the chance to win The Big Prize. Along the way you'll see some crazy fun things, witness some crazy fun magic and hear some crazy fun game show questions. And just what is The Big Prize? You'll have to come to the show to find out!

Trained actor, storyteller, clown and magician Michael Patterson (aka Mr Bamboozle) has taken the magic show and the game show and blended them into an hour-long romp of fun, challenges (more fun) and baffling magic (even more fun)! In this show we explore themes around thinking vs imagination as the show leads to an unforgettable magical display of just what the imagination can do.

Mr Bamboozle's Creative Balloon-making workshop

Have you ever watched someone twist a balloon dog and thought to yourself "That is awesome!"???? Well, now you can learn it for yourself. Mr Bamboozle will show and guide you to make your own dogs, swords, hats, giraffes and much, much more. He sometimes teaches this to children as young as three years old and if they can do - so can you.

You will amaze the grown-ups in your house when you bring home arms full of stunning balloon creations that you made yourself. And there's no limit on how many you can make! Sounds pretty good huh?
