

# **Incursion Risk Assessment**

## **Magic Show**

What's not included/utilised:

Mains power, electrical cords, food, fire, water, machinery, live animals, danger acts.

What is included:

From time to time a child/children may be invited to assist in a routine. In this case the children are guided as to the safest way to enter and exit the performance area: kept away from extraneous props; and instructed on their role. If a child is unable to grasp what is required, a staff member may be asked to assist with the child.

Summary: A low risk activity
